SUBJECT: Notice of Virtual Public Hearing for Certification of the Final Program Environmental Impact Report for the Los Cerritos Wetlands Restoration Plan (State Clearinghouse #2019039050) – November 5, 2020 at 12:30pm

As the Lead Agency overseeing this proposed program's environmental review, the Los Cerritos Wetlands Authority (LCWA) has prepared a Final Program Environmental Impact Report (Final PEIR) in conformance to the environmental policy guidelines for the implementation of the California Environmental Quality Act (CEQA) to evaluate the environmental effects that may result from the implementation of conceptual restoration designs for approximately 503 acres of land and water located on the border of Orange County and Los Angeles and County in the cities of Seal Beach and Long Beach.

PUBLIC HEARING: The public hearing for certification of the Final PEIR for the Los Cerritos Wetlands Restoration Plan will occur at the LCWA Board Meeting to be held on November 5, 2020 at 12:30pm.

Per Executive Order N-29-20, Paragraph 3, issued by California Governor Gavin Newsom on March 17, 2020 and related to the State of Emergency declared as a result of the COVID-19 virus, LCWA board meetings will be temporarily conducted remotely. Anybody needing assistance accessing the meeting should contact LCWA Board Secretary Dena Williams at dwilliams@wca.ca.gov or at 626-815-1019 x 116.
