Another camp at the pipe bridge, it was cleaned up.

Between Calloway Marsh and the 5-acre state land parcel is the fishing hole.

Causing problems in both cities. SBPD arrested one guy where the Marshalls flew out from Alabama to pick him up.

Suspicious activities outside of entrance gate.

These folks are human and down and out. QOL Officers gave them opportunities for many services, they were offered socks and water and the officers befriended them. Knowing just maybe we get the guy who is sick and tired of being sick and tired and surrenders, it happens.

Abandon car for storage.

After removal clean up initiated.

Now the family and kids can back and go fishing.
